HR7776/90

Maximum variety of recipes, minimum effort

Create home made breads, cakes, drinks and more

This Philips Avance collection Food Processor is the versatile solution for your kitchen needs. With its new innovative metal kneading hook, powerful 1300 W motor and one touch auto button for dough, making bread has never been so easy.

Benefits

Baking homemade breads and cakes is now so simple

- Double metal balloon beater for cream and egg whites
- Metal kneading hook for perfect bread dough
- Blade unit for mixing and blending cake batters

Confidently control power and speed settings

- PowerChop technology for superior chopping performance
- One touch auto buttons for bread dough, whipping and ice

Easy processing and effortless cleaning

- XXL 18cm discs for faster execution of all ingredients
- Dishwasher safe accessories
- 3.4 L bowl and 2.2 L blender jar for family sized portions

Carefully selected accessories for best results

- Reversible disc for shredding (fine and coarse)
- Citrus press for fresh orange or grapefruit juice

PHILIPS

Features

Double metal balloon beater

The double metal balloon beater together with the one touch auto button creates fluffy egg whites (up to 600% volume increase) and perfectly whipped cream (up to 200% volume increase). Creating delicious desserts has never been easier!

Innovative metal kneading hook

Together with the strong motor, this metal kneading hook quickly forms a dough ball from your ingredients. Once the dough is formed, the innovative kneading hook works the dough with the right force and power to enable you to make the tastiest bread.

Blade unit

PowerChop technology

PowerChop

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result in both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

One touch auto buttons

In addition to the manual 12 speed + pulse control, this Avance Food Processor comes with 3 one touch auto buttons. To select them, simply turn the control dial to the "ON" position and press the one touch auto button. The motor then automatically sets the right speed and auto pulse functions for the best results.

XXL Discs for faster execution

Thanks to the XXL discs (18cm), the Philips food processor will provide you a faster performance saving you time and effort while cooking.

Dishwasher safe accessories

All Philips Food Processor accessories included in your box are dishwasher safe.

3.4 L bowl and 2.2 L blender

The XL bowl allows for maximum volumes to be processed in one go, for example up to 7 portions of soup, 7 eggs whites, 1.7 kgs of dough. In addition, the 2.2 L blender easily creates up to 5 smoothie portions in one go.

Reversible disc for shredding

The reversible shredding disc (fine and coarse) is suitable for all types of vegetables.

Citrus press for fresh juice

Reliable, simple and beautifully designed, the new Philips Jamie Oliver Food Processor boasts a number of useful accessories useful in creating fresh and healthy breakfasts, lunches and dinners. This accessory is ideal for extracting fresh juice from all types of citrus fruit such as oranges and grapefruit.
