AJE-VENUS RGB Grey

LED Lights

Type of power supply	USB
Certificates and sealing classes	CE
Certificates and sealing classes	RoHS
Type of power supply	Network
Power Consumption (On)	5 W
Main color	Gray
Set contents	Power supply
Set contents	User manual
Light color	RGB - Multicolor
Type of lighting	SMD
Input voltage	230 V
Additional information	Touch switch
Product type	Lights
Mains plug type	Type E
Height	300 mm
Additional information	Shining base
Type	LED
Number of diodes	36
Width	160 mm
Depth	280 mm
Thread type	No data
Type	Desk LED
Cable length	

Power of light stream	No data
Type	Table lamp
Additional information	Color rendering index Ra (CRI): 80
Additional information	Ignition time: <1s
Set contents	Desk light x 1
Light time	35000 h
Temperature of the colour	5000 - 5500 K
Additional information	Touch switch for coloured, changing sphere light
Additional information	Lumination: 250 lm
Additional information	Three-stage touch dimmer
Set contents	Warranty card
